

Happy Valentine's Day

Create your own personalized Valentine's Day Card - Free Coloring and Drawing Printable Page

How to make your own Valentine's Day card

Making a personalized Valentine's Day card is a very special way for a child to express their love and make the day that much more special!

Supplies to make Valentine's Day cards:

Pencil or Pen

Colored Crayons

Construction paper (8x11) (red or white)

Scissors

Glue or Paste

Instructions:

Print out the free coloring page 1 of the Valentine's Day card.

Draw a picture inside the heart

Write a few words (optional)

Color and decorate the card

Cut out the card on the dotted lines

Select your favorite color construction paper (8x11)

Paste the Valentine's Day card onto the construction paper, center it in the middle

Write in your name on the bottom of the construction paper

Decorate the construction paper around Valentine's Day with colors and even glitter! (optional)

Give your special homemade card to someone special to celebrate the day!
